We build confidence...!

child can draw its own future....!!

DIRECTOR'S MESSAGE

The school aim to give the best pre-primary and primary education in the English medium to the children of all classes in the area. It is well equipped with trained staff to take charge of the educational as well as the holistic growth of the students. It is conceived by the school's organizing committee that there shall be low fee charges to provide quality contemporary education to the students of this school. Development of any community, society or Nation solely depends upon good quality of education. In today's dynamic era of information and technology, quality education assume much more importance as it instills in every individual the strength and courage to secure a better place in the world.

I am confident that the school will fulfil the needs of the student's, parents and the people of this area by imparting quality education beyond their expectations.

I convey my best wishes to all those who envisioned this school in consonance with the aspirations of the people of Deoria.

May God give them success in their mission.

Rajesh Yadav
Director

Good Nurture Leads to Good Nature

★ PRINCIPAL'S MESSAGE

At R.D.N.C.I.P.S., we approach education as a method for growth. We care and nurture children at every stage to develop then physically and mentally. We impart holistic education today to enhance inherent skills to build strong and morally bright citizen for tomorrow.

R.D.N.C.I.P.S. is a co-educational school runs with tradition of providing quality education to all. The school provides good quality modern education including a strong component of culture, inculcation of values, awareness of environment, adventure, activities and physical education for setting and maintaining higher standards of student's performance.

With Warm Regards,

Principal

Mr. M. Achari

WELCOME TO R.D.N.C. INTERNATIONAL PUBLIC SCHOOL

We are veery pleased to announce the opening of a friendly school in your neighbourhood where our aim is to provide a happy and secure environment in which your child will develop emotionally, socially and intellectually under the guidance of qualified, experienced and caring staff.

The school is well equipped with adequate classroom space and an adjacent playground, to cater to the students of per-primary and primary stages who will be educated through a synthesized teaching system, based on traditional and modern techniques.

We shall ensure that styles of teaching match the children's different levels of understanding and stimulate each child to make the best possible progress.

We believe that education is a partnership between home and school and we place a great deal of emphasis of our partnership with parents. Children learn best when home and school work together.

Parents are always welcome at the R.D.N.C. INTERNATIONAL PUBLIC SCHOOL.

Please do not hesitate to telephone or visit whenever you have a query concerning the welfare or progress of your child.

Best regards.
The Executive Committee

MISSION

Our mission is to provide a joyful learning environment that empowers children to reach their educational and personal potential while nurturing their self-confidence, self-esteem, primate interaction with social and cultural activity, enhance the confidence, good habit and social cultural values.

Promoting physical, social and emotional development.

Encouraging ethical and value based practices.

AIM OF THE SCHOOL

Our aim is to impart sound and liberal education to boys and girls during their impressionable years types of education that would lay stress on character building, team work, esprit-de-corps, physical development and to infuse in the a spirit a adventure, fair play and justice. We aim to : develop among our students a feeling of pride in Indian culture and produce citizens who will be truly Indian and will be above social, communal, religious or provincial prejudices.

At the Primary Level

1. Cleanliness & Hygiene
2. Respect for parents, teachers and elders
3. Inquisitiveness & Obedience
4. Obedience
5. Inquisitiveness
6. Punctuality
7. Consideration & helpful attitude towards others
8. Self-help
9. Self-confidence
10. Leadership

At the Middle Level

1. Sense of duty and responsibility
2. Dignity of work
3. Simplicity
4. Faithfulness
5. Courage
6. Freedom from envy & Jealousy

The school is to imbibe in the students a love of learning and inculcate in them a desire to excel at every level, also aims at equipping the students with the intellectual and practical skills that are necessary to meet the inevitable challenges in the future. Our methodologies have evolved from this philosophy to provide education through-

1. Quality Education : "True education develop capacities, analytical abilities, confidence, will power and goal setting of children. It also enables them to become self-motivating agent of social change, serving the best interests of the community."

2. Intensive Classroom Program : Every student's mind is not sharp as intelligent brain so we have unique creative classroom program is based on scientifically designed course plan equipped with Qualitative books, study materials and Assignments in order to cater children having distinct individual differences from others.

3. Personalized Attention : Our limited batch size give personalized attention to all the students with motivating and inspiring environment and opportunities for every child's comprehensive development Body, Mind, Heart and Soul. Ordinary children begin to perform extraordinarily in such a motivating environment.

4. Disciplined Environment : Our single motive is to provide education to the students through disciplined study in discipline environment by making a comprehensive set of rules and regulations applicable to all.

Promotion to Next Class

Promotion is based on CCE comprising of class task, worksheets, oral and assignments. The overall grades given under different heads indicates the level of the child's overall performance. Thus promotion will be granted on the basis of marks obtained in these examination. Taking into consideration, it is compulsory for all students to maintain regular attendance during the course of the academic session, 75% attendance is mandatory to enable them to appear for the final exam. Promotion is finally the Principal's decision.

Parent Teacher's Meet (PTM)

Attendance of one of the parents in such meeting is compulsory to discuss the progress of their wards and other allied matters. Parents are welcome to meet the Principal too in such meets. The last date of each month there will be only parent and teachers meet from 1 P.M.

Advantages

The school aims at child centric education with holistic development of every child. Therefore, we intend to provide a platform for all children to participate in a minimum of one event competition in a year. We are offering our students a wide variety of activities such as outdoor games, science project, field excursion (tree plantation) and many more. We would like parents to encourage their wards to participate in as many activities as possible.

Smart Class

Through smart class education system we have stepped out in the digital world upgrading the education system through seeing and learning process enhancing their educational interred.

Computer Education

The School has computer labs of its our to impart education to students as a compulsory subject. We have started computerized education method. The lab consists of latest technologies. There are also games of educational CDS. The lab is updated from time to time with latest technology according to need.

School Library

R.D.N.C.I.P.S. is proud to have a very high quality library which is spacious and airy making it a perfect place to study. The library has several thousands of books with a wide range of subjects.
